Re: Public Records Act Request, Notice of Extension

Dear Samuel Sinyangwe,

Please allow this letter to serve as a response to your California Public Records Act ("Act") request (Government Code section 6250, et seq.) received by the City of Chino Police Department ("Department") on July 17, 2019.

The City is in the process of evaluating the public records request you submitted in an effort to make a determination as to whether the request seeks copies of disclosable public records in the possession of the Chino Police Department. However, notice is hereby given that the time limit to make this determination under the code shall be extended fourteen (14) days to August 8, 2019, pursuant to Government Code section 6253(c) (2) and (3), for the following reason:

- (2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request.
- (3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request or among two or more components of the agency having substantial subject matter interest therein.

Please feel free to contact Police Records Supervisor Amanda Tamparong in the meantime, at (909) 334-3080 should you have any questions.

Sincerely,

Wes Simmons
Chief of Police
Chino Police Department
